

Teacher Agreement with Home Front Educators

I, _____, the teacher of _____ class(es), have agreed to teach for Home Front Educators' Friday Arts and Fun. I understand that Home Front Educators is a 'not-for-profit' support group for families who have chosen to educate their children at home and is not an accredited school. I comprehend my role as facilitator in the educational process and that I am not employed by Home Front Educators. I recognize that Home Front Educators directs the payments from class members to me and that declaring income as a self-employed private tutor is my responsibility.

I understand that parents are to be granted full access to their children at all times. I will submit curriculum to the Friday Arts and Fun Coordinators for approval, at least one month prior to the beginning of classes. I understand that the parents and students are responsible for the material learned and that work done in class is not to be graded.

I am responsible to leave the classroom in an orderly fashion and will report any problems to the FAF leadership team. I will not dismiss any students from classes without the approval of the FAF coordinators.

I will not hold Home Front Educators, its members, teachers, or administrators or Grace Evangelical Free Church responsible for accidents during classes or activities.

I understand that Home Front Educators is open to all homeschool families regardless of faith or race, is not affiliated with any church or other home education group, and is based on principles of the Christian faith.

I have read the Friday Arts and Fun Handbook and will comply with all its guidelines, rules and procedures.
